Docket No. 98N-1265 2 99 MAY -4 P2:32

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I previously tried synthetic hormones & could not tolerate them. If I cannot get my "natural hormones" from Madison Pharmacy it will cost me alot of money. I have no "side effects" when I take natural hormones. The limitation of shipping drugs across state lines contained in the MOU would compromise the quality of my life.
